COME TO THE PARTY - Even though you don't belong to the American Camellia Society (but by all means, you OUGHT to, if you love camellias or if you want your town to be beautiful), plan to attend the Bay-Waveland Garden Club's annual Camellia Show to be held here by the club next weekend, for the first time in cooperation with the American Camellia Society. Lots of

silver trophies, ribbons and certificates are waiting for winners in the two-day show that will be judged Saturday morning and will be opened to the public Saturday afternoon, evening and all day Sunday. Above, left, is MRS. AL VOIGHT, president of the Bay-Waveland Garden Club with Mrs. DAN RUSSELL, co-chairman. Officials expect that more than 1000 flowers will be shown.

Camellia Show To Attract Crowd Here Next Weekend

With one bright eye on their annual Camellia Show next weekend and the other on the other side of the Weather Man, members of the Bay-Waveland Garden Society and camellia lovers in general poised this week for the big event.

As the Echo went to press, it was reported that the short spell of crisp weather last week had not harmed camellia bloom in the least and a record showing-barring weather trouble later in the week-was expected.

"For the first time this year," Mrs. Ben F. Hille, show chairman told The Echo, our club has widely advertised our camellia show in numerous nationally circulated magazines, principally the garden magazines and other flower-lovers' journals.

"Beautiful trophies and a galaxy of ribbons will make for keen competition among exhibitors and we are certain that this year's show, barring unforeseen weather hazard, will undoubtedly be a success."

Mississippi Delegates Leave For Presidential Inauguration

Leo W. Seal, Sr., Dan Russell, Jr., and W. W. Webb formed a three-man delegation leaving Bay St. Louis this week to represent this city and county at the glittering Presidential inauguration ceremonies to be held at the nation's Capital next Monday. The trio planned to meet in Washington on the weekend, all leaving Bay St. Louis on successive days.

E. O. Spencer, Jackson hotel executive and state Republican National Committeeman, early this week announced that plans were near completion for Mississippi's official delegation to attend the inauguration.

He said that the great majority of those who expected to attend the ceremonies would leave Jackson by air, while some would go by train.

No Bay St. Louis wives accompanied their husbands to Washington for the event, Mr. and Mrs. A. H. Gregory, of this city, were unable to attend, although they were among the few local persons honored with an invitation.

Trio Found Not Guilty In Raid Case

Eli Alsbrook, Rena Kennedy and Richard Kennedy were found not guilty Saturday at a hearing on violations of prohibition laws in Justice of the Peace C. W. Brunson's court in Beat 11, Santa Rosa.

The Whisperin' Pines, owned by Alsbrook and the Half Way Club with the Kennedy's listed as operators, were scenes of raids by Sheriff Sylvan J. Ladner, Jr. and his deputies December 29, nine days after raids by the National Guard. Evidence seized in the Sheriff's raids was offered as evidence in Saturday's trial. Included in the evidence were quantities of wine, whiskey and beer, the beer having been sold without county permit.

Stanislaus Seniors Finalists in Merit Competition

Three seniors at St. Stanislaus High School have been named finalists in the National Merit Scholarship competition, according to Principal Brother Linus, S.C.

The local students, Edsel Aucoin, John Joyce, and Charles Bishop, who were among the 7,500 highest scorers on a nationwide college aptitude examination given to 162,000 seniors in 12,500 high schools last October, faced last Saturday a stiff three-hour College Board examination, plus intensive screening of their leadership and extra-curricular records by a selection board in New Orleans. Results of their showings in that competition will not be forthcoming for approximately six weeks or more.

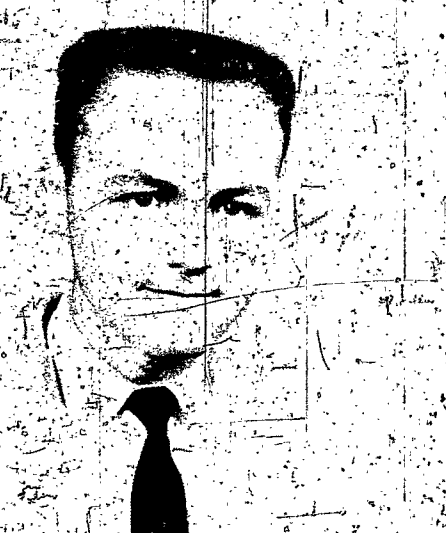

At stake are more than 700

Gulf Coast Garden Clubs Begin Activity Toward Bigger, Better Pilgrimage; Photo Of Bay Residence Brings Section National Publicity As Brochure Cover

Scenic beauty of the Gulf Coast's Bay-Waveland area will get national and international publicity this week, when official programs for the Annual Spring Pilgrimage of the Mississippi Gulf Coast Council of Garden Clubs roll from the presses into the mails for distribution throughout the United States and Canada.

The photograph of a Bay St. Louis home, a photograph taken for the Bay-Waveland Garden Club, decorates the elaborate 1957 Pilgrimage brochure to "front" for the Coast's two-week garden tour bulletin. It is a photograph of the picturesque and historic L. J. Key residence in DeMont-luzin Ave. and depicts the typically Deep South oak-shaded mansion which will be highlight attraction and closing stop on the Bay-Waveland tour of the Pilgrimage.

As cover photograph for the Council's brochure, the Key home picture will bring graphic illustration of Bay-Waveland atmosphere and charm to more than 150,000 cities of the United States and Canada, where the Pilgrimage literature will be distributed throughout hotels, tourist courts, chambers of commerce, garden clubs, schools and other outlets.

Even as one contingent of busy

members of the Bay-Waveland Garden Club poised this week for last-minute rush and bustle of staging the club's annual Camellia Show slated for this weekend, other enterprising ladies of this super active organization plunged full speed ahead in a whirlwind of activity connected with the Bay-Waveland day of the Pilgrimage, scheduled for March 19.

Mrs. Frank Kiefer, Pilgrimage chairman, explained that the Garden Club here will sponsor the "Bay-Waveland" tour on the Pilgrimage which gets its overall financing and sponsorship from the Mississippi Gulf Coast Council of Garden Clubs.

Mrs. Kiefer said the Mrs. E. E. Allgeyer of Waveland, and Mrs. Joseph R. Scharf, of Bay St. Louis, will be hostesses for the Bay-Waveland event. More than 700 out-of-towners visited here last year for the day, Mrs. Kiefer pointed out, and this year the number of tourists is expected to be greater than ever, since widespread national publicity during the past months, and now the new brochure publicity will throw Pilgrimage spotlight on this area.

The Pilgrimage this year for the first time, Mrs. Kiefer pointed out, will be stretched over a two-week period of two weeks

instead of the one-week showing as in former years. Because the tours have been drawing more and more people and individual house showings have therefore become more strenuous than in the beginning it was decided to give the tours of various Pilgrimage cities on alternate instead of succeeding days.

A tour of Long Beach homes will open the 1957 Pilgrimage, on March 17. Two days later Bay-Waveland day will be held, and on March 21, Pass Christian will open its doors to the Pilgrims. Homes of Gulfport, Biloxi, and Pascagoula will be visited March 24, 26, and 30, respectively.

"Coffee at Brignac's," traditional opening of the Bay-Waveland tour, will again open the gala home-visiting party for 1957 pilgrims. The E. M. Brignac home, at 920 South Beach, with its beautiful old moss-hung oaks, its lovely landscaped grounds, and wrought iron fence with handsome gates, is the largest and finest estate on the beach of Hancock County.

"Mrs. Brignac has graciously opened her home each year, serving coffee under the oaks to open the tour with a festive spirit," the brochure reads. "Her gesture has created a warmth in officially greeting the

visitors to the country each year of the Coast Pilgrimage.

Continuing along Nicholson Avenue, and crossing Highway 90, the tourists will arrive at the home of the president of the Bay-Waveland Garden Club, Mrs. Al. Voight. Here the pilgrims will view thousands of rare and beautiful camellias, azaleas, and other blooming plants and shrubs. This garden has been shown before, but is much more interesting this year, with the addition of hundreds of new plants during 1955-56.

Luncheon will be served at the Bay-Waveland Yacht club at 12:30 p. m., and reservations should be made with Mrs. Al Voight, Bay St. Louis, president of the Bay-Waveland Garden Club, or Mrs. Kiefer, Pilgrimage chairman, as early as possible. Charge will be \$1.50.

The home of Mrs. Kiefer, in Felicite street, in the heart of a brand new area of fine homes recently developed in the Dunbar Avenue section of Bay St. Louis, is first on an afternoon series. The Kiefer home and garden as well as many fine gardens in its immediate environs, will be interesting to visitors as examples of the possibilities latent in present day building and

landscaping methods for developing beauty and grandeur in less than two years time from building start to present loveliness.

St. Augustine's Seminary has again been included on the tour because of its interest in the past and because of the addition of two new major interest spots, new shrines and gardens have been opened from Highway 90 and for the first time the Chapel will be opened for viewing. This Chapel is extremely beautiful and majestic with its hand-carved, life-sized wooden statues done in the modernistic manner and its unusual altar.

The Seminary's lovely grotto will be viewed as well as the lily ponds and the thousands of camellias and azaleas many of which have actually been developed by the Rev. Baker, a well known horticulturist who has developed and patented some of the finest camellia seedlings in the American Camellia Society's roster of fine camellias.

A continuation of this special showing will take the Pilgrims to Our Lady of the Gulf Church, in direct contrast with the modernity of the Seminary Chapel, this

Pilgrimage Plans Going Full Speed Ahead Toward March 19

*Picturesque Homes, Interesting Landmarks Of Coast
To Be Included On Two-Week Series Of Spring Tours*

PLAN PILGRIMAGE - MRS. FRANK KIEFER, right, general chairman of the Bay-Waveland day of the annual Spring Pilgrimage sponsored by the Mississippi Gulf Coast Council of Garden Clubs, discusses with a co-worker, MRS. WALDO OTIS, details of the coming event, details for which are announced this week. The

Bay-Waveland showing of interesting landmarks and picturesque homes will be held this year March 19, in connection with the Coast Council's Pilgrimage program which for the first time will be a two-week event, with tours of various cities spaced on alternate instead of consecutive days of the Pilgrimage period.

Leo Seal Home Is Scene Of January Meeting Of Bay-Waveland Garden Club

The home of Mr. and Mrs. Leo Seal in North Beach was the scene of the Bay-Waveland Garden Club's January meeting this week when A. E. Voight, husband of the club's president, and one of the Gulf Coast's qualified camellia show judges, lectured on camellia propagation and varieties.

Mr. Voight illustrated his talk with a galaxy of mammoth and colorful blooms from the picturesque Voight residence, the Oaklands, a show place of the Coast. He presented a collection of more than 50 prize blooms.

Mr. Voight had the distinction and the plaudits of his friends of the Bay St. Louis club this week for having brought home with him highly coveted blue ribbon from a "pre-show showing" of prize blooms at the Ozona Camellia Club held in Slidell on Monday. Each member of the club one of the South's largest, was allowed to show a single bloom at the meeting, preparatory to the group's regular camellia show, to be held shortly. Mrs. Voight's large blooms, a Mammoth Supreme Variegated from a bush that is the only one of its kind in this area, took first place among over 200 prize specimens shown by the Louisiana club members.

The club's coming camellia show theme, "Camellias of Yesterday, Today and Tomorrow in Our Homes," was also the theme for the monthly meeting's

arrangement competition for the meeting at the Seal residence. Mrs. Waldo Otis, with a Japanese arrangement, took first place and Mrs. Wallace Chevis second; Mrs. S. Frank H. Embery, third and Mrs. W. W. Baltar, honorable mention.

Two blue ribbons in the horticulture division were won by Mrs. Walter Hava for a mass arrange-

ment and Mrs. Harry Bruff specimen.

It was announced that the Junior Class would have its showing at Touma and Main Streets, January 26 and 27. The show will be open to young exhibitors from 10 to 18 years of age. All arrangements must be in by Saturday, January 25, before 11 a.m. Mrs. H. A. Ocenham, publicity chairman, announced.

Square Dance To Be Trail Feature

Mobile, Ala. - One of the most gala events of the 1957 Azalea Trail celebration will be the two-day Azalea Trail Square Dance Festival, a program expected to attract dancers from some twenty states.

The opening session of the square dance festival will be held Friday, March 8, at the Shrine Auditorium from 8 to 12 p.m. On Saturday, March 9, two sessions will be held at Fort

Whiting; the first is scheduled from 2 to 5 p.m. and the second from 8 to 12 p.m.

Manning Smith, who will call the Azalea Trail Festival, has served as featured caller and tea-

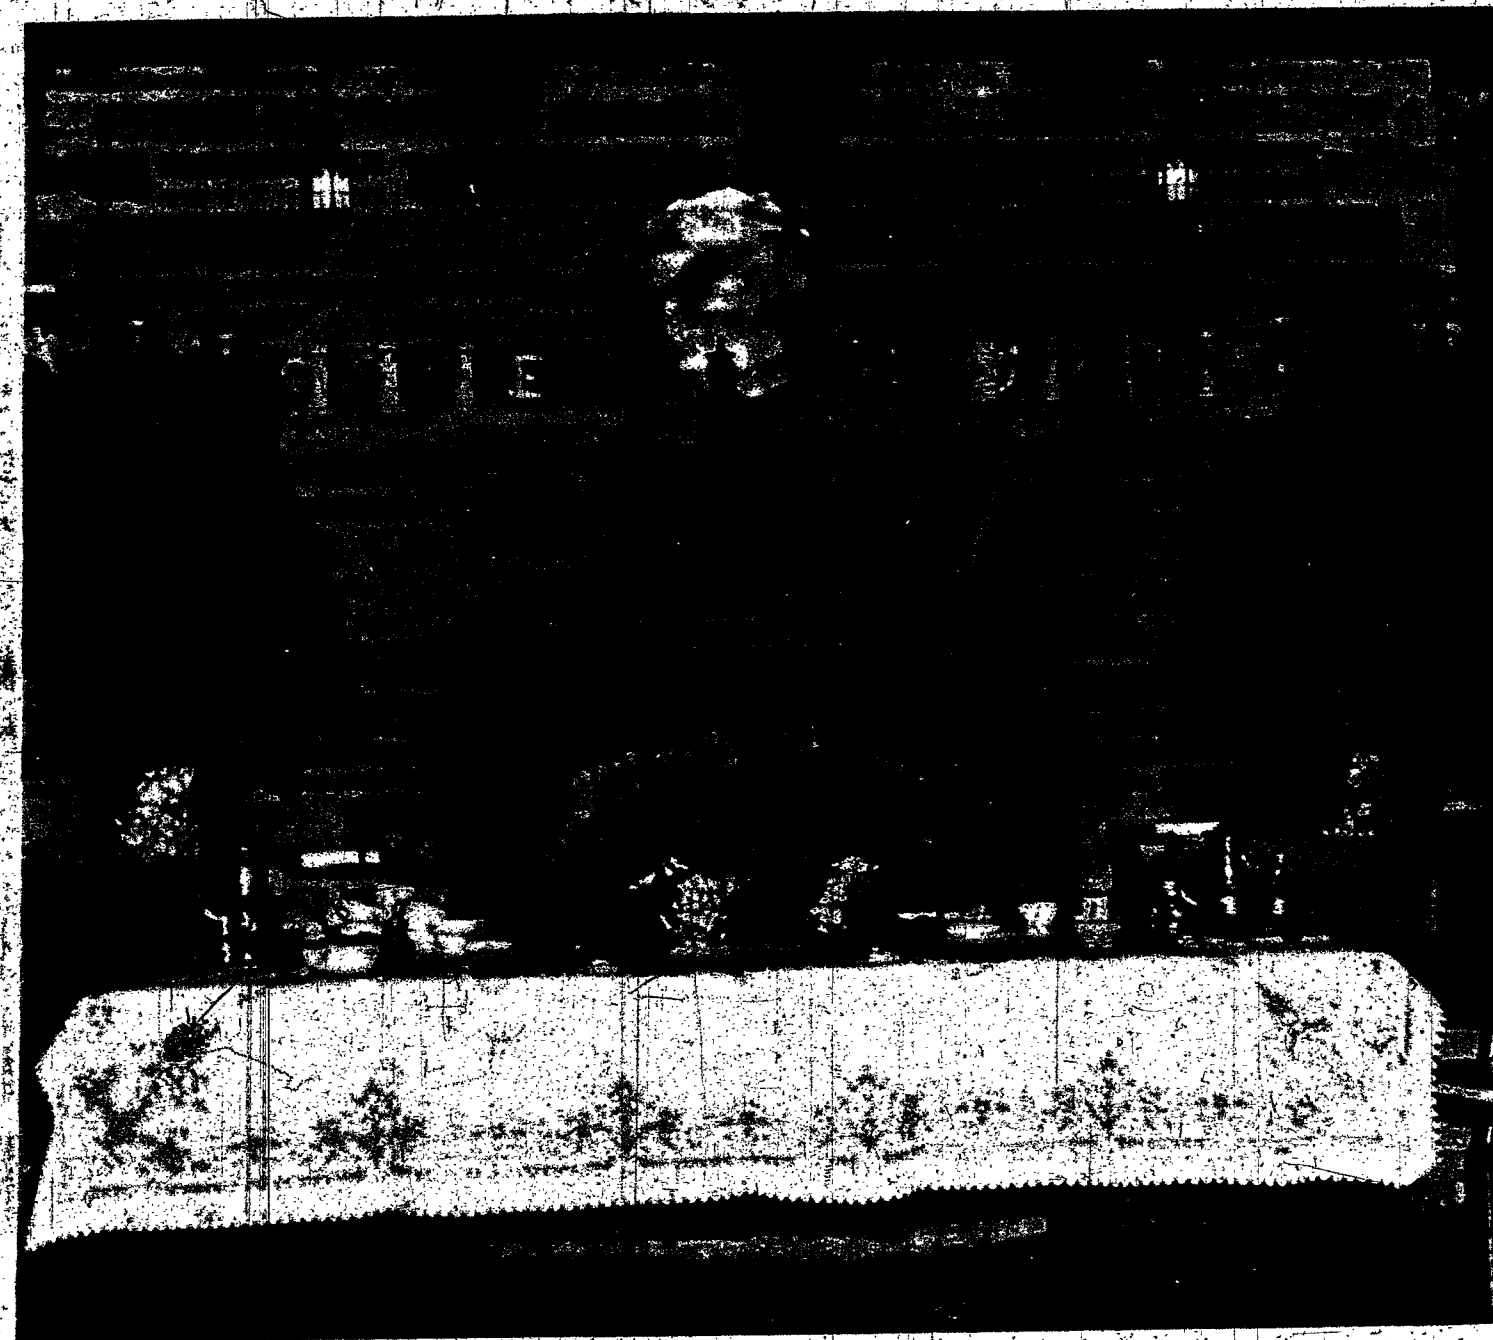

cher in both squares and rounds at dance sessions throughout the U. S.

Music will be furnished for all three sessions by Charlie Bogan's Square D Boys of New Orleans.

The Mobile Azalea Trail celebration, scheduled Feb. 3 - March 31, also will feature the coronation of Miss America as Azalea Trail Queen on Sunday, March 10; the magnificence of Bellingrath Gardens, "Charm Spot of the Deep South"; tours of public and private gardens; historic homes tours; a one-week industrial tour; and scores of other attractions.

The great attraction, of course, is the 35-mile floral route with millions of white, pink, scarlet, lavender and magenta azalea blossoms.

The Azalea Trail, seen each year by some 500,000 flower lovers, is sponsored by the Mobile Junior Chamber of Commerce.

"COFFEE AT BRIGNAC'S" - By now a byword of the Bay-Waveland Pilgrimage is the cheerful note on which the Pilgrimage will begin again this year, when the home of Mr. and Mrs. E. M. Brignac, 920 South Beach, with its inviting coffee nook, shown above, is opened to visitors at the opening of the Bay-Waveland tour of beautiful dwellings. The gracious warmth of "Coffee at Brignac's" has become a traditional of the Pilgrimage day here.

RONNIE GENIN CELEBRATES 7TH BIRTHDAY

Ronnie Genin, son of Mr. and Mrs. Alvin Genin, celebrated his seventh birthday Friday afternoon, with a party at the home of his parents on DeMondulzin Avenue.

Games were the feature entertainment for the young guests, with Leo DiBenedetto, Erin Heitzman, and Laura Ann Piazza winning prizes.

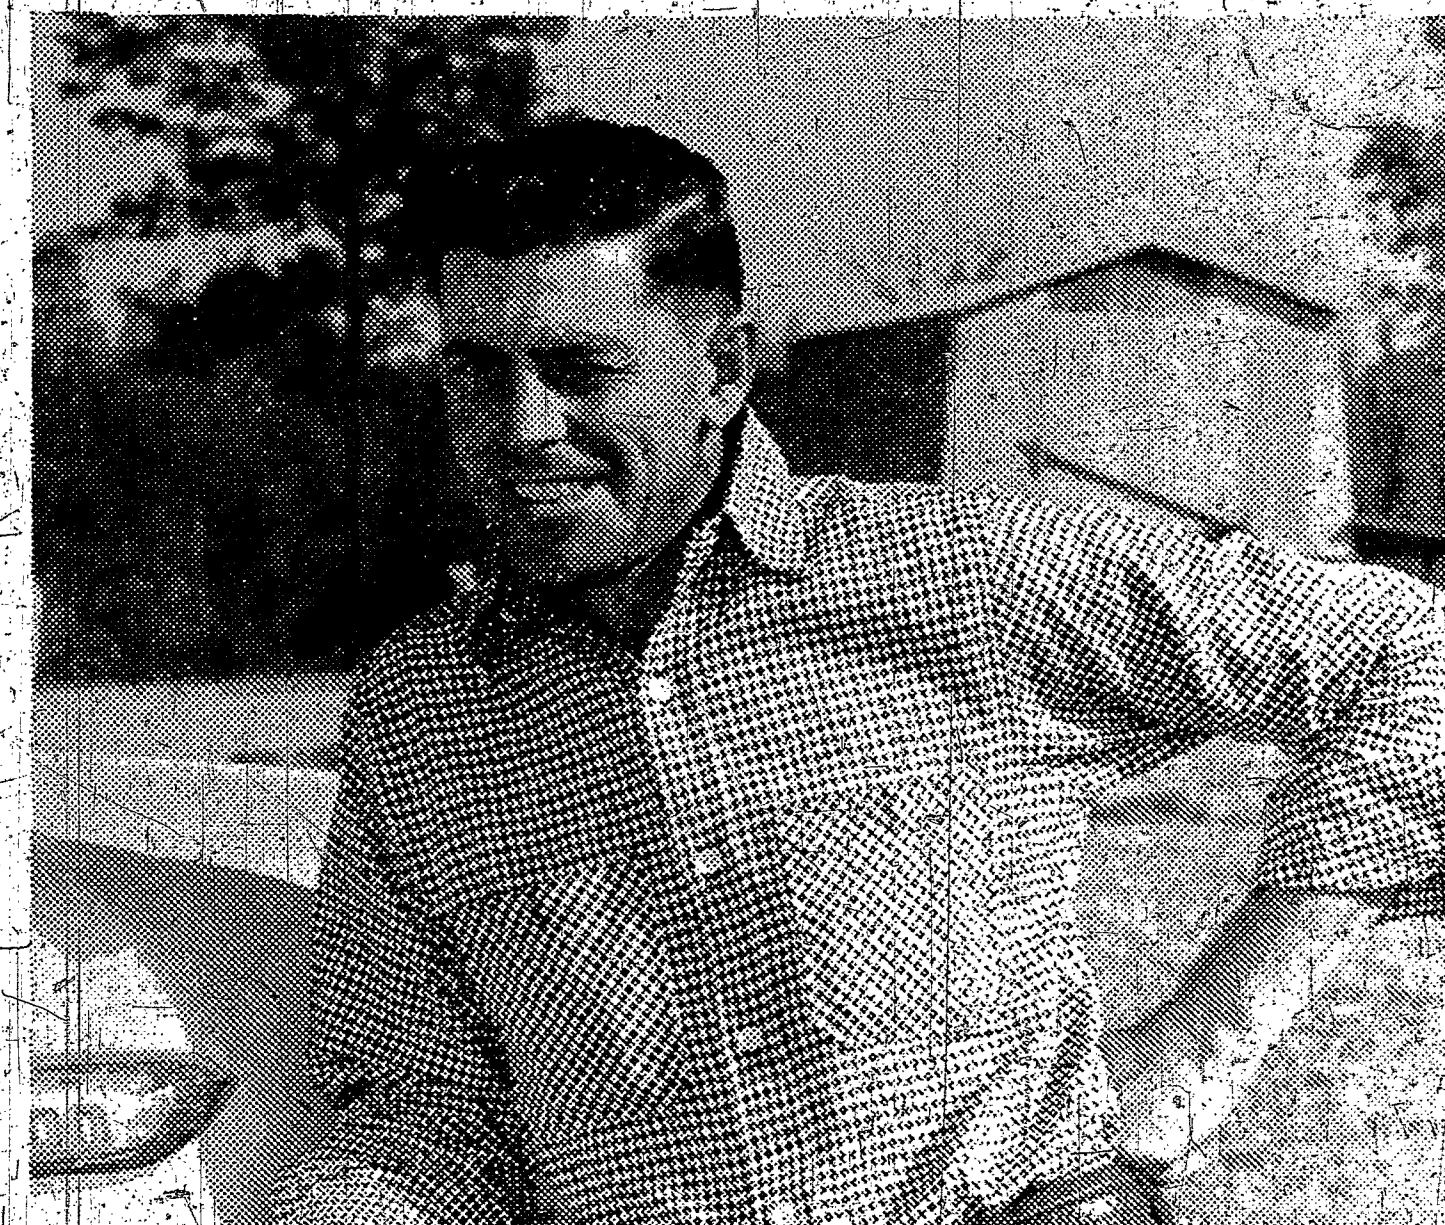

A pink and white color scheme was carried out in all decorations and the refreshments. Covered with a pink and white "Happy Birthday" cloth, the serving table was centered with a large pink and white birthday cake, topped with the traditional candles. Tiny pink baskets filled with candies and vari-colored balloons completed the table decorations and were given to the children for favors. Mrs. Genin, assisted by Mrs. Jake Morreale and Mrs. Robert Genin, served party refreshments of ice cream, cake and candy.

Among those attending were Mike Plunkett, Mike Farve, M. J. Rhodes, Billy Schumski, Mary

Gottschalk, Joey Monti, Kenny and Danny Laine, Raymond Heitzman, Curtis Laidner, Sharon Laidner, Julie Delph, Laura Ann and Bessie Piazza, Janet Scafidi, John Genin, Erin Heitzman, Donna Garriga, Gregory Morreale, Barry Farve, Leo DiBenedetto, Keene Rauxer, and Lewis, Jr., and Jimmie Wagner.

Hat's Off

Congratulations go this week to St. Stanislaus High school, for that worthy institution's tandem honors in letters and sports. In the same week in which its doughty Rockchaws emerge victorious in the Pass Christian Invitational tournament, St. Stanislaus gets word that three of its star students all of whom are, incidentally, also among the school's most brilliant musicians, have reached the finals of the country's most stiffly contested literary battles, the National Merit Scholarship Competition.

That three Stanislaus seniors have been named finalists means that they were, among the 7,500 highest scorers on a nation wide college aptitude examination given to 162,000 seniors in 12,500 schools. This is high altitude, indeed.

The facts that the Stanislaus basketball team can be as good as the Rocks have been this year, while its students can rank as high as these three seniors, plus the fact that the ranking students are also active in extra curricular affairs and all talented members of the school's orchestra and band, speak more eloquently than any words of the well-rounded education program of Stanislaus, and the high degree of success achieved by the dedicated teachers who administer it.

Stanislaus students as well as its faculty - and not by any means, least, the parents who make all the programs possible - deserve high commendation from us all, whose community is bettered by their activities in our midst.

World's Telephones On Increase

There were 101 million telephones in the world at last count according to the Publication "The World's Telephones," announced by J. C. Dabney local manager for Southern Bell Telephone Company. This means there are two telephones now for every one in existence only ten years ago. A telephone user in Bay St. Louis can call any of 77 million telephones, over 60 million in North America and some 41 million in other countries.

Overseas telephone services have just recently been extended to Ascension Island, Oman, French Equatorial Africa, Kuwait, Jordan and Saudi Arabia. More than half of the world's telephones, (56 million) are located in the United States, the birthplace of the telephone. The Bell Telephone System operates about 82 percent of the telephones in this country. The remaining 18 percent of America's telephones are operated by 4,600 private companies, not part of the Bell System. There are nearly 11,000 exchanges or central offices served by the independent or private companies while Bell Systems serve some 10,000 exchanges.

There are 38 private independent telephone companies operating in Mississippi in addition to Southern Bell, Mr. J. C. Dabney said.

60 Deaths Reported In Mississippi Due Traffic Accidents

Traffic accidents killed 60 persons in Hancock and neighboring counties during 1956, according to Commissioner of Public Safety Tom Scarborough.

This county, one of 6 comprising District Eight of the Highway Patrol, counted 9 highway deaths as last year ended, a contributing factor to the state's near-record 56 traffic slaughters.

A CRUCIAL MOMENT IN HISTORY

Mississippi Losing Farm Families, Bureau Finds

In 15 years—from 1940 to 1955—Mississippi lost 453,000 of its farm population, and by 1962 another 200,000 will leave the farms. This is the main reason why Mississippi's total population has shown a loss while most states are reporting population gains, the Mississippi Farm Bureau Federation reports.

Today, 43.5 percent of the state's 2.2 million population are living on farms which comprise over two-thirds of the total land area of the state. There are now 213,915 farms and by 1962 projected estimates are for only 180,000 farms in the state.

This decrease in the number of farms is accompanied by an increase in the size of farms remaining—with the average size of farms increasing from 66 acres in 1940 to 96 acres in 1955. Mechanization is the main factor which has brought this about.

Average gross cash income from marketings in 1955 was \$2,586 per farm as compared with \$1,331 in 1944—but there were 75,177 fewer farmers in 1955 to share in the total income than there were in 1944.

Individual gross cash farm income was generally less than \$2,500 per farm in 1955, the report of the Mississippi Farm Income Planning Committee shows. Seventy-one percent of all commercial farms and 80 percent of all farms were in this class. Only 3.2 percent of commercial farms in 1955 had \$10,000 or more income.

Cotton continues to be the chief money crop, furnishing 60 to 65 percent of the marketing sales. Soybeans rank second among the row crops, but contribute only 2 percent of the total cash income.

Livestock and livestock products in the five year period of 1950-54 furnished 28 percent of the total cash receipts.

Leon Lee In New Orleans Hospital

41 Counties Train Social Security, Tax Advisors

Farmers in 41 counties may now receive assistance from trained consultants in preparing their 1956 income tax returns according to J. V. Pace, advisor on income tax and social security for the Mississippi Farm Bureau Federation.

"Many farmers," Pace said, "have not been availing themselves of social security benefits since the law was extended to farmers. They must qualify through the filing of income tax returns," Pace added, "and it is our job to see that they avail themselves of every opportunity to make savings for themselves within the framework of the law and to secure all benefits of the social security provision for farmers."

County agents and other extension personnel are conducting educational programs among farm groups in cooperation with Pace. On January 24th a series of meetings will be completed with the boards of directors of county Farm Bureaus offering this new service.

Earlier in December a series of two-day training schools were held for the consultants.

Rockchaws Win Tourney After Defeating Dedeaux

Climaxing the Pass Christian Invitational basketball tournament in which twelve teams participated, the St. Stanislaus Rockchaws defeated Dedeaux in a close tilt before a crowd of approximately 1,000 last Saturday night, to carry off tournament honors after smashing defeats of Savannah and St. Martins in two earlier games.

The first quarter saw Dedeaux jump to fast lead, Dedeaux controlled most of the rebounds during this period, but due to excellent defensive play by the Rockchaws, were forced to attempt long shots. Willis Rhodes scored first for the Rockchaws with two excellent shots. The Rocks were making many fast breaks attempting few very long shots but connecting on short ones. The first quarter ended with Dedeaux ahead by five points, 19-14.

In the second quarter the defenses of the Rockchaws tightened up and held Dedeaux to only six points. With Timmy Schafer, Birch Wilbert, Jerry Rigby, and Jonny Gblaint doing all of the scoring for Stanislaus in this period the Rocks cut the lead to 25-23 at half time.

The Rockchaws literally went wild in the third quarter. Scoring from all over the court, Stanislaus took the lead and kept it. Brilliant defensive play together with terrific offensive play kept the crowd on its feet. Dedeaux fell apart and couldn't make any more than six points. Fouls plagued both teams constantly. The third period score was 31-38 favoring S. S. C.

The last quarter opened with Gblaint laying in two foul shots followed by a beauty from Schafer. Dedeaux quickly put in two more baskets. The Rocks possessed the rebounds 90% of the time. Wilbert put in another foul shot followed by a quick two by

the Rocks. The Rocks were making many fast breaks attempting few very long shots but connecting on short ones. The first quarter ended with Dedeaux ahead by five points, 19-14.

Scouts' Play Huge Success; Proceeds Top Ambitious Goal

Full house audiences applauded Mariner and Cub Scouts last Friday and Saturday when they presented "The Case of the Weir Sisters". "The F a b u l o u s Follies" and a Punch and Judy Puppet Show at the Little Theatre Playhouse on Boardman Avenue.

Mrs. Donald Chamberlain, Mariner Troop Leader, announced the goal of \$400, needed for a proposed trip to Savannah, Georgia and the birthplace of Juliette Low next summer, was exceeded after all expenses were paid. "The Case of the Weir Sisters" with a cast including Baynard Chamberlain as Mattie, Linda Sharp as Bessie, Judy Heitzman as Emily, Greta Kay Miller, Marian, and Celeste Chevis playing the villainess, Charlotte, drew many laughs from the audience. The girls in the cast displayed a professional touch in handling of their very comic lines, and timing.

An old-fashioned blackface minstrel, starring Martha Carr as Mr. Jones and Patsy Rosas as Miss Peunia featured jokes and songs of a half-century ago. Barbara Allen as Miss Sippy sang several solos and led the chorus. Mariner in the chorus were Bay Chamberlain, Martha Allison, Celeste Chevis, Marie Vassalli, Linda Sharp, Judy Heitzman, Greta Kay Miller, Courtney Coward, Caroline Maurer, and Marilyn Heitzman, all wearing checkered shirts, pants and straw hats.

"Punch and Judy" presented by scouts from Cub Scout Den 111, Pack 215, brought laughs from the audience, particularly the younger members. The script was adapted by Mrs. Chamberlain and read by Mrs. Adeline Samuel and Mrs. Bruce Sharp. The colorful puppets, manipulated by

the Cub Scouts, performed beautifully, especially considering the tender years of the manipulators. Martha Allison was narrator for a skit, entitled "Dance Away the Twenties". Dancing the Old Fashioned Fox Trot were Mariner's Barbara Allen and Patsy Rosas, dressed in costumes circa 1918. Bay Chamberlain wore an authentic costume of the "Roaring Twenties" as did Celeste Chevis when she did a lively Charleston. Jitterbugging Mariner in shirts and jeans closed this part of the program.

The finale featured the Mariner's in their bright blue uniforms singing a number of songs of scouting led by Troop Musician Allen. The production staff included Mrs. Samuel, who directed the show; Mrs. J. B. Goldman, Music; Mrs. Ed. Heitzman, Mrs. Roy Wiggins and Mrs. Bruce Sharp, Costumes; Properties, Mrs. Paul Miller; Publicity, Mrs. E. A. Allen; Prompter, Courtney Coward; and Lights and Sound Effects, Teddy Stechmann, Jr.

Mrs. Chamberlain is Mariner Troop Leader, assisted by Mrs. Gary Taylor. Mrs. Sharp is Neighborhood Chairman and Bay Chamberlain is troop president. The Mariner's expressed their deep gratitude to all persons connected with the show and for the wonderful support given them by patrons attending the show.

What Industry will pay nearly \$4 MILLION in 1957 State Taxes?

The brewing industry is Mississippi's fifth largest taxpayer. The state tax on malt beverages remains unchanged as one of the highest in the nation. Public acceptance of beer as the beverage of moderation yields nearly \$4 million a year in taxes for Mississippi schools, rural roads and other necessary functions of local and state government.

Farmers benefit widely from brewing since the industry purchases over \$250 million worth of farm products each year. Brewing is also an important market for more than 100 different grades throughout the nation.

Beer is favored in 3 out of 3 American homes as the moderate beverage. And sales of beer in food stores for at-home service, now exceeds all other beverages except milk and coffee.
